

*Role of HKSSSC
in the Education Reform*
津中議會在教改浪潮中的角色

General Meeting
1 June 2006
YMCA, Waterloo Road

The Past

1. A more stable environment
2. Less number of secondary schools
3. Less voices from other stakeholders (parents, community, etc)
4. Less competition among schools

Current Situations

1. Many Rapid Changes
 - NSS , drop of student population , MOI
2. Lots of uncertainties
3. Opinions diversified from a range of stakeholders (conflicting views)

3

Current Situations

4. Keen competition
5. Lack of consensus among stakeholders
6. Overloading daily work

4

The Future

1. Needs of more principals to join E.C. and task groups
2. Needs to collect majority views and to enhance consensus
3. Needs to promote better communication among schools
4. Needs to maintain professional stance and dialogues with EMB

5

HKSSSC is a

Union ?

Opposition
Party?

Pro-government
Party ?

Professional
Body ?

6

Objectives (as listed in HKSSSC Constitution)

1. To provide and advance the cause of Education in Hong Kong.
2. To promote and protect the rights and independence of all subsidized secondary schools in Hong Kong (hereinafter referred to as “the member schools”)

Objectives (as listed in HKSSSC Constitution)

3. To promote and enhance the welfare and interest of the staff and students in the member schools.
4. To provide a representative body for all member schools.

Objectives (as listed in HKSSSC Constitution)

5. To act as a liaison for member schools with the government and other bodies.
6. To assert the Council’s corporate opinions on education policies and to render services in respect thereof when necessary.

*What role can
HKSSSC play in the
Education Reform ?*

*It depends on
the consensus
of our member schools*

*The End
Thank you !*
