Dear Principals of Member Schools,

Forum on the Medium of Instruction in Hong Kong Schools

The Council is devoted to act as a liaison for member schools with the Government and to assert the Council's corporate opinions on educational issues. Recently, there has been much discussion on the implementation of "Medium of Instruction" (MOI) policy and the Executive Committee of our Council was invited to meet Mr. Michael Suen, Secretary for Education, on 21st December 2007 to pass on our views on behalf of our member schools. We had reiterated the Council's standpoint on MOI policy in accordance with the results of the survey conducted in 2005. (Please refer to the HKSSSC Website for the relevant documents.) However, understanding that the policy environment has changed rapidly in the past two years, the Executive Committee considers it necessary for our members to have a professional sharing of our views on this topic again to see what can benefit our students most. We plan to organize a forum for our members on 19th February 2008 with details as follows:

- Date: 19th February 2008, Tuesday
- Time: 3:00 – 5:00 p.m.
- Venue: True Light Girls' College, 54A Waterloo Road, Kowloon
(真光女書院, 九龍窩打老道 54 號 A)
- Title: MOI Policy in the Best Interests of Students

Your presence and participation will definitely contribute and be beneficial to the students and the future of education policy formulation in Hong Kong.

Please return the reply slip to our Honorary Secretary on or before 31st January 2008 to indicate your attendance and questions that you would like to raise at the Q & A session.

Looking forward to your continuous support and participation.

Yours sincerely,
Shirley Wong She-lai
Chairman
